_____ Section 402.3125(5), F.S., requires that parents receive a copy of the Child Care Facility Brochure, "KNOW YOUR CHILD CARE FACILITY".

_____ Section 65C-22.006(4)(c)2., F.A.C., requires that parents are notified in writing of the disciplinary practices used by the child care facility.

Discipline Policy: "Never raise a hand to a child." Physical punishment is against Florida law in preschools and is never used at First Methodist School. We prevent many discipline problems by having a well planned program with trained teachers that understand the needs of children. Our discipline system consists mostly of methods from the "Behavior Modification" and " Assertive Discipline models." In using techniques from these models, we take into consideration that each child is an individual. What works for one child may not always work for another. The school realizes the importance of a GOOD SELF-CONCEPT. When disciplining, we do not address the child's character but the act of misbehavior. This eliminates possible feelings of humiliation.

_____ **EXPULSION AND DISMISSAL POLICY:** Our program is committed to providing a safe, nurturing environment conducive for learning and growth for all our children. We strive to ensure all of our children are set up for success regardless of their need or developmental level. Every effort will be made to prevent the expulsion or dismissal of children from the program. However, FUMS reserves the right to cancel the enrollment of a child for the following reasons, not limited to but including:

- *Non-payment or excessive late payments of fees/tuition.
- *Failure to adhere to policies and procedures as outlined in the program's Family Hand book.
- *The child has needs which we cannot adequately meet with our current staffing patterns.
- *The child's behavior threatens the health and safety of him/herself, the other children or program staff.
- *The parent/guardian exhibits behavior which is detrimental to the health and well-being of the children and staff in a classroom or negatively interferes with the normal functioning of the classroom and/or program. This includes but is not limited to: vulgarity, intimidation, harassment, or violation of child care licensing regulations.

By signing below, you verify that you have been made aware of the above items, that you recognize it is your responsibility to download and read the parent handbook, and that all information on this enrollment form is complete and accurate. I hereby grant permission for the staff of this facility and The Department of Children & Families to have access to my child's records.
